

★ PETITION TO STOP THE FREEDOM OF CHOICE ACT ★

To:

As a citizen of the United States, I stand against the Freedom of Choice Act and any attempt to undo any pro-life laws or regulations. The gruesome practice of partial-birth abortion has no place in the United States of America.

The U.S. Supreme Court has already supported the law Congress passed in 2003 to ban partial-birth abortion. If passed, the Freedom of Choice Act would nullify all state and federal laws that impede access to abortion before “viability” as determined by the abortion provider, as well as all pro-life laws that the Supreme Court has upheld since *Roe v. Wade*. It would also eliminate parental notification and force taxpayers to fund abortion.

I urge you to use every means at your disposal, the full influence of your office as an elected leader, to listen to the people you represent, uphold the sanctity of life, and oppose this bill and any other bill that would roll back pro-life protections.

Signed, _____
